## **BECOMING A MEMBER OF THE MAPLEWOOD SWIM CLUB**

The Maplewood Swim Club is a bonded club. That means each member owns a share of the club. We limit our membership to 350 bondholders, so each of us owns 1/350th of the club.

The cost of the bond is \$400.00, and the club offers three different options of payment. You can, of course, pay the bond in full upon joining. Your second option would be to make two payments of \$225.00 with the first payment due upon joining, and the second payment due the following February. Your third option is to make four payments of \$125.00 each. The first payment of \$125.00 would be due upon joining, and each subsequent payment would be due in February of each of the remaining three years. If you choose to pay out your bond, an additional \$25 is added to each payment. Also, you are not a Voting Member until your bond is paid in full.

\*\*

If your bond is paid in full and you decide to leave the club, you will receive a refund of \$300.00 once your bond is resold. You can surrender your bond to the club to resell, which is done on a first come, first serve basis or you can recruit a new bondholder, at which time your refund will be taken from the proceeds of their payment.

Each bondholder pays membership dues yearly, depending on the number of family members. When applying to our swim club, you must include all family members living in your household. We also have Guest passes available throughout the summer.

Thank you for your interest in the club.

\*\* One year only, non-bonded membership available to new members only.
